

## Introducing the New Snooza Chair for Paediatrics

The all-foam Snooza Chair has been designed with many users in mind. Its planar angles use gravity to keep the occupant safe with good postural stability. The soft and close supports assist with relaxation and the high armrests promote improved breathing.

- Carry handles and lightweight design make transportation easy
- Large storage pockets on each side.
- Covered with a medical grade vinyl cover, making it easy to wipe down
- Centre comfort wrap is removable and washable.
- Available in 4 colour options: Pink | Blue | Green | Orange
- Chair includes 1x wedge for angle adjustment and 1x padded hip belt.

Size 1: Back Height: 58cm | Seat Depth: 24cm | Hip Width: 23cm
