

ASTRO BARI BASIC

The Astro Bari Basic Dual Motor Riser Recliner features an extra wide seat of 72cm (28") and supports users up to 200kg (31.5st), providing a seating solution for people with larger physiques to relax in comfort.

It's dual motor and 3-way mechanism enables the legrest and backrest to be operated independently, providing countless recline positions.

It is upholstered in Anti-Microbial PVC, for increased hygiene, and is Crib 5 fire safety compliant, making the chair ideal for use in multi-user care environments.

ASTRO BARI BASIC

- Smart Function handset enables the chair to return to standard sitting position at the touch of a button.
- Waterfall and ergonomically contoured backrest cushions
- 2 convenient side pockets for easy storage
- Safety key provides a motion lockout to prevent unintended movement
- In-built battery operated reset function allows the chair to move to any position in the event of a power cut, for one time max
- Quiet motors provide a smooth and discreet operation
- Available in black or cedar brown
